Reader Notes:

These stories have been designed to help children learn about school so they know what to expect and can learn helpful ways to respond to new situations. As a teacher, parent or carer you can help your child by reading through the stories. You could point out how the child's school experience is different and similar to that in the story and come up with other helpful ways to respond. We hope these stories can make children feel more confident, safe and accepted at school.

This story can be customised with personalised images or photos that are relevant to the child or children you will read it with. Visit allplaylearn.org.au to view our collection of illustrated stories for ideas. Use an A4 printed version of this PDF to insert your photos, we recommend printing these in a 6x4" standard photo size.

Going to school is fun!

I arrive at school in
the morning before
school starts.

My family usually
drops me off at school.

When I get to school
I usually wait outside
my classroom for the
morning bell to ring.

When the bell goes
I put my bag inside
and sit down and wait
for the teacher.

Then my teacher usually tells us the different activities we will be doing today.

 <p>9:00am</p> <p>Reading</p> 	 <p>10:00am</p> <p>Maths</p> 	 <p>11:00am</p> <p>Recess</p> 	 <p>11:30am</p> <p>Art</p> 
 <p>12:30pm</p> <p>Physical Education</p> 	 <p>1:30pm</p> <p>Lunch</p> 	 <p>2:00pm</p> <p>Music</p> 	 <p>3:30pm</p> <p>Home Time</p> 

We might do
different activities
on different days.

When the bell goes
for recess we eat our
snack then we can go
outside and play with
our friends.

At lunch time we
eat our lunch and
then play outside.

When it is time for home we first pack up our areas and get our bags ready.

When the bell goes
for home time our
teacher says goodbye.
School has finished!

I take my bag and
leave school.

My family is usually
waiting outside to
pick me up and take
me home.

is fun!**

AllPlay: Making the world fit for all kids

AllPlay is about creating inclusive environments for children wherever they learn, play, dance and engage in the community.

Our team of researchers brings together the research evidence that sits behind our toolkits and programs to ensure that the strategies we deliver are as effective as they can be.

We work with those committed to creating inclusive communities including coaches, sporting clubs, dance schools, teachers and educators, parents and healthcare practitioners.

Our philosophy:
Change the world, not the child.
